The Upham's are proud of their community and have a tradition of giving back to the people who live here. Tom and his family have supported the Rock County Humane Society, Boys & Girls Club, the G.I.F.T.S. program and many other community organizations.

Customer Appreciation Days, always the second Saturday in March, includes great thank you values for customers, while collecting food for ECHO and the Salvation Army. The first year, 1998, this event donated 500 pounds of food. In 2009, Choice Cleaners customers and Seneca Foods, donated over 12,000 pounds of food, making it the second largest food donation in Rock County!
