Dan's Meat Market is a family owned business with a passion for quality meat and cheese. Dan and Kristy Malone are the owners of Dan's Meat Market. They've been married for the past 30 years, lived in Whitewater all their lives and raised their two daughters, Kasey and Heather here. For the past 15 years, their family farm has raised livestock. Dan's dream of opening a meat market featuring his own family farm hand cut meat and other high quality local foods, has come to a reality over the last few years. Pursuing that interest, Dan and his cousin took a sausage making class and started processing and smoking meats to share with their family and friends. Everyone loved their creations and begged for more, so opening the market to bring local, healthy and delicious meat, poultry and cheese to the Rock River Basin became a reality. Supported by friends, family and the local community at the start, Dan and his daughter Heather have created a successful Whitewater business that is now a regular destination for people from all over the region.

Dan's Meat is proud to offer two brands of Wisconsin Family Cheese, in cheese farm, with will not find any is the exclusive Southern Wisconsin source for Chippewa Valley Cheese, owned by a group of dairy farmers.
